SUGGESTED TO Dos LIST

Register online for express check-in at the fair <https://goo.gl/LAUnP3> and updated information from EducationUSA and schools.

Try to take advantage of the opportunity to meet the admission officer to learn about things you could hardly search elsewhere, such as:

- ✓ What are strong majors of the school? Does the school offer degrees on the subjects you want to study?
 - ✓ What are the advantages in the school's curriculum and programs?
 - ✓ How is the living environment, internship/job opportunities for international students?
 - ✓ How much scholarship/ financial aid international students might get?
 - ✓ Are there any support services for international students?
 - ✓ The school's culture (students' clubs, liberal/conservative, teacher and students ratio, etc.)
 - ✓ The admission requirements and competitiveness
- Etc.

and rigorous course work that prepare them for a complex global society. Within our learning community students interact with faculty—which includes Nobel laureates, MacArthur “Genius Grant” fellows, U.S. Professor of the Year awardees and National Medal of Science winners—who listen, question and help students refine their ideas so they develop a broad understanding of the world, strong leadership skills and an enhanced ability to think critically. Within our eight colleges, schools and programs, are 3,800+ academic courses across 150 fields of study, enabling students to create a unique academic experience. Infused with our academic departments, classes and interdisciplinary programs is the research in our 11 research institutes and nearly 90 research centers. Our research encompasses thousands of scholarly, scientific and creative endeavors and results in new knowledge, technologies and creative work that advance the economy, culture and health of Colorado, the nation and the world.

University of South Dakota

We're South Dakota's flagship university. The affordable big-time university with a small-college feel. USD offers 206 undergraduate programs, 66 graduate programs and an Intensive English Program (ESL). The total student enrollment is 10,000. Students benefit from high level research as well as small class sizes (17:1 faculty to student ratio) with committed, direct, faculty support. USD is a fully accredited, public institution that consistently appears in national rankings. Some of our most popular programs include Computer Science, MBA, Business (undergraduate), Biomedical Sciences, Physics, Chemistry and Graphic Arts. Vermillion serves as a very safe, welcoming community for the university. Its size puts all amenities within walking distance, and the security of the community ensures that students can walk safely any time of day. International students are eligible to work in on-campus jobs and we join forces with departments and the Academic and Career Planning Center to locate great CPT (internship work while in school) and OPT (employment in the US after graduation) placements. USD is highly affordable. Our undergraduate estimate

for tuition, room, board and books is \$19,000. Estimated graduate tuition, living expenses and books is \$23,600. We love hearing from you and welcome your inquiries. Learn more and contact us at www.usd.edu or at isrt@usd.edu
