## SUGGESTED TO DOs LIST

Register online for express check-in at the fair <https://tinyurl.com/yd6jafw2> and updated information from EducationUSA and schools.

Try to take advantage of the opportunity to meet the admission officer to learn about things you could hardly search elsewhere, such as:

- ✓ What are strong majors of the school? Does the school offer degrees on the subjects you want to study?
  - ✓ What are the advantages in the school's curriculum and programs?
  - ✓ How is the living environment, internship/job opportunities for international students?
  - ✓ How much scholarship/ financial aid international students might get?
  - ✓ Are there any support services for international students?
  - ✓ The school's culture (students' clubs, liberal/conservative, student-teacher ratio, etc.)
  - ✓ The admission requirements and competitiveness
- Etc.

### San Mateo Community Colleges

2-year institution

San Mateo Colleges of Silicon Valley are operated by the San Mateo County Community College District which was established nearly 100 years ago. They are three, fully accredited, public colleges – Cañada College, College of San Mateo and Skyline College – located near San Francisco in the heart of the Silicon Valley. All three colleges are University Transfer Colleges with elite, quality programs and services, including our own Silicon Valley Intensive English Program (SVIEP). All of our Colleges have "Transfer Admission Guarantees" with the most notable public and private universities throughout the United States. This gives students the right to enter the university if they meet the university's transfer requirements without being subject to the university's regular selective admission processes. Based on an agreement with UC Berkeley, our Colleges belong to the University's exclusive Transfer Pathway program. Our students in the honors programs also enjoy Priority Admissions status from UCLA that may give them as high as a 70% admission rate. Our colleges are known for their STEM (Science, Technology, Engineering and Math)

programs. Skyline College, only minutes away from San Francisco, offers International Trade and a variety of Biotech and Engineering transfer programs, and has an internships with Caltech and UC Berkeley. Cañada College has the only award-winning STEM Center among all community colleges in California. Their animation class is taught by Pixar Animation Studios employees. International students applying to the District's colleges are eligible for tuition reduction scholarships as well. Studying in Silicon Valley gives students many other potential internship and networking opportunities at world-class companies such as Google, Apple, Salesforce, Twitter and Facebook. All of our campuses are in small and very safe communities located near major highways with direct access to San Francisco, San Jose, San Francisco International Airport, and other very famous tourist destinations such as Monterey Bay, Yosemite National Park, Napa Valley, and Lake Tahoe. In 2016-2017, San Mateo Colleges of Silicon Valley had over 1,500 foreign students. <https://smccd.edu/>

**Part 147.** Part 147 specifies requirements for the certification and operation of an Aviation Maintenance Technician School (AMTS). The regulation includes both the curriculum requirements and the operating rules for all certificated AMTS. The regulation's origin was in Civil Air Regulations (CAR) part 53. When the CARs were recodified in 1962, CAR part 53 became 14 CFR part 147. In 1970, part 147 was completely revised. The revision increased the required core curriculum hours from 1,650 to 1,900 and further defined the subject content and teaching guidelines.
