

LIST OF CLINICS AND HOSPITALS / DANH SÁCH PHÒNG KHÁM VÀ BỆNH VIỆN

The following is a list of both international and Vietnamese clinics and hospitals in Ho Chi Minh City and in the provinces. The list is by no means exclusive. Many of the international medical facilities have foreign English-speaking doctors on staff. The U.S. Consulate General bears no responsibility for the quality of care or service at any of these facilities. Please be aware that medical care in Vietnam, even in Ho Chi Minh City, is considerably below U.S. standards. Sometimes, even routine injuries or conditions may require medical evacuation to a regional medical center with higher standards. The telephone country code for Vietnam is 84.

Dưới đây là danh sách một số phòng khám, bệnh viện Việt Nam và quốc tế tại Thành phố Hồ Chí Minh và các tỉnh thành. Danh sách này không liệt kê đầy đủ tất cả các cơ sở. Nhiều cơ sở y khoa quốc tế có bác sĩ người nước ngoài nói tiếng Anh. Tổng Lãnh sự Hoa Kỳ không chịu trách nhiệm về chất lượng chăm sóc y tế hay chất lượng dịch vụ tại bất kỳ cơ sở nào trong danh sách này. Xin lưu ý điều kiện chăm sóc y tế ở Việt Nam, ngay cả tại Thành phố Hồ Chí Minh, thấp hơn các tiêu chuẩn của Hoa Kỳ khá nhiều. Đôi khi, ngay cả những chấn thương hay tình trạng sức khỏe thường gặp vẫn phải được chuyển đến một trung tâm y tế trong khu vực với các tiêu chuẩn cao hơn. Mã vùng điện thoại quốc tế của Việt Nam là 84.

Ho Chi Minh City (Area code: 28) / Thành phố Hồ Chí Minh (Mã vùng: 28)

Police / Cảnh sát 113

Fire Brigade / Cứu hỏa 114
