EducationUSA
U.S. Higher Education Virtual Fair 2021

HOW DOES THE VIRTUAL FAIR WORK?

The virtual fair platform is mobile friendly with no download or app required. You will be able to access the fair with the email you used to complete the registration. Once you are signed into the virtual pavilion:

✓ You will be able to view detailed information from each college/university when you visit their booth. You can also chat with the representatives from participating U.S. institutions via either private or public chat!
✓ You will be able to watch informative webinars on the day of the event.
✓ If you have any questions about higher education in the United States, you can chat with EducationUSA advisers in the EducationUSA booth. EducationUSA advising staff will be available to answer general student/parent questions.

SUGGESTED “TO-DO” LIST

Take advantage of the opportunity to chat with the admissions staff from each school! You can learn more about the college/university, available programs, and life on campus! Ask questions that you might not find anywhere else, such as:

✓ What are the popular/strong majors of that school? Does the school offer a degree in the subjects you want to study?
✓ What are the advantages of the school’s curriculum and programs?
✓ What is the on-campus and off-campus living environment like?
✓ Are there internship/job opportunities for international students?
✓ How much scholarship/financial aid do international students typically receive, if any?
✓ Are there campus support services for international students?
✓ What is the school’s campus culture like? (Example: student clubs, athletics, extracurricular activities, student-teacher ratio, etc.)
✓ What are the admission requirements and level of competitiveness?

At Seattle Colleges, students have access to 135+ major subjects, including Business, Computer Science, and Engineering, as well as affordable tuition and small class sizes.

Shoreline Community College

2-year institution
https://www.shoreline.edu/

Shoreline Community College is a leader in University Transfer (2+2), High School Completion (Early College), Online Learning, and Academic English. Located in the vibrant city of Seattle, Shoreline’s parklike campus is in a great location close to beaches, local cafes and downtown. In a dynamic hub of global business, major companies like Boeing, Microsoft, Amazon and Starbucks are just a few of the world-class companies that call Seattle home. Our University Transfer program offers over 90 areas of study and provides a gateway to top universities in the U.S. This program also offers guaranteed admission and transfer agreements with many universities.

St. Petersburg College

2-year institution
https://www.spcollege.edu/

St. Petersburg College has offered high-quality, affordable education for almost 100 years. Located in on Florida’s Gulf Coast, the area boasts a diverse and vibrant community, year-round blue skies and miles of sparkling shoreline. Study with expert, dedicated faculty at SPC, and discover world-class museums, restaurants, attractions and events that make this a popular location for both residents and visitors.

Stony Brook University - The State University of New York

Public 4-year institution
https://www.stonybrook.edu/

Stony Brook University - The State University of New York is an internationally recognized research institution and one of only four University Centers in the State University of New York (SUNY) system. QS World University Rankings places SBU among the top one percent of higher education institutions in the world; U.S. News & World Report ranks SBU one of the top 35 public institutions in the nation; and U.S. News’ Best Global Universities Rankings lists the university as the top public university in New York State.

SUNY Schenectady

2-year institution
https://sunysccc.edu/

SUNY Schenectady is located just 3 hours’ drive from New York City and about 5 hours from Boston. The college offers students the opportunity to complete their first two years and obtain an Associate of Arts or Associate of Science degree and then transfer to the State University of New York for another two years to
complete their four-year degree. The complete list of programs and degrees offered is listed on the SUNY Schenectady website. Transfer programs include Aviation Science (Pilot and Non-Pilot Option), Biotechnology, Computer Science, Nanoscience, Performing Arts in Music, and Programming Game Design, Mathematics (Nanoscale science), English, Biology, and Business Administration. SUNY Schenectady also offers the Associate in Applied Science (A.A.S.) degree and the Associate in Occupational Studies (A.O.S.) degree which are career-oriented, preparing students for employment immediately after graduation. These degree Career Program options include Culinary Arts, Hospitality and Tourism Management, and Air Traffic Control.

Tacoma Community College
2-year institution
https://www.tacomacc.edu/

Tacoma Community College (TCC) offers students an affordable start to their U.S. Bachelor’s degree. Home to approximately 200 international students, Tacoma is located in the beautiful state of Washington, less than an hour from Downtown Seattle and surrounded by two National Parks and an inlet of the Pacific Ocean. With small class sizes and free campus resources, like tutoring, students are set up to succeed at the start of their university career. Academically, we offer a wide range of programs with Healthcare, Business and Engineering being the most popular. After two years, students graduate with their Associate degree and continue towards a bachelor’s at one of our 25 guaranteed transfer universities or by applying to any university in the U.S. with our assistance. In 2020, graduates of TCC continued their education at the University of Washington, UC-San Diego, and Georgia Tech to name just a few.

The University of Texas at Arlington
Public 4-year institution
https://www.uta.edu/

The University of Texas at Arlington (UTA) is a public, urban, large, Carnegie Research-1 powerhouse committed to life-enhancing discovery, innovative instruction, and caring community engagement. An educational leader in the North Texas region, UTA nurtures minds in an environment that values excellence, ingenuity, and diversity. We produce lifelong learners, problem solvers, and critical thinkers to meet regional, national and global demands. With 44,000+ students, including over 3,300 international students from 102 countries, the university offers 180+ degrees at the bachelor, master’s and PhD levels. We are the 6th most diverse and in the top 100 safest in the U.S.

Truckee Meadows Community College
2-year institution
https://www.tmcc.edu/

Truckee Meadows Community College (TMCC) promotes student success, academic excellence and access to lifelong learning by delivering high-quality education and services to our diverse communities. Class sizes are kept small for students to receive in-depth assistance from their professors and to have an opportunity to get to know their classmates. International Student Services works with each student one-on-one to ensure achievement of academic and personal goals. Truckee Meadows Community College is located in Reno, Nevada, the beautiful American West, overlooking the Sierra Nevada Mountains. TMCC is a two-year institution serving over 11,000 students. TMCC offers more than 100 degree programs in a variety of fields like, Business, Entrepreneurship, Logistics, Information Systems, Hospitality and Tourism Management, Culinary Arts, Computer Science, Cybersecurity, Biology, Chemistry, Graphic Communications, and Associate of Science and Associate of Arts general transfer degrees.

Transylvania University
Private 4-year institution
https://www.transy.edu/

Transylvania University is a highly ranked liberal arts university in the progressive city of Lexington, Kentucky, USA. Founded in 1780, Transylvania is the 16th oldest university in the country. We’re a challenging, relationship-rich school with an engaging faculty that encourages
community-driven students to achieve personal fulfillment and professional success through 46 majors or self-designed options. Of the students recommended to Law school, 100% are accepted; of those recommended for Medical schools and Health programs, more than 90% are accepted. And 95% of our students have a job or are in graduate school within six months of graduating. Transylvania offers excellent merit-based scholarships for international students and is test-optional (no ACT or SAT required) for native English speakers or those who have studied in English-taught high school programs.

**University at Buffalo, The State University of New York**

*Public 4-year institution*

http://www.buffalo.edu/

Founded in 1846, the University at Buffalo (UB) is a nationally ranked public research university with an international reputation for academic excellence; UB faculty has included Nobel and Pulitzer Prize winners. Ranked as a best value and "best buy," UB offers nearly 400 academic programs and research opportunities. Its global focus prepares students for work and collaborative, diverse leadership opportunities across the world. The large-university opportunities and the small-school benefits of studying with world-famous research faculty make UB the #1 choice.

**University of Bridgeport**

*Private 4-year institution*

https://www.bridgeport.edu/

Founded in 1927, University of Bridgeport (UB) is a private institution located in Bridgeport, Connecticut, just about an hour north of New York City. UB’s 56-acre campus boasts state-of-the-art facilities in scenic surroundings. Students can choose from over 150 career-oriented majors and postgraduate qualifications across 14 schools in the fields of Engineering, Business, Health Sciences, Humanities, and Liberal Arts. With 20 students or less in most classes and a student-to-faculty ratio averaging 16:1, students will benefit from a truly interactive learning environment. UB also offers three levels of English instruction on-campus. More than 4,600 undergraduate and graduate students are enrolled, and approximately 20% of the entire student body is made up of international students from 80 countries. Students can join more than 60 clubs and organizations and UB offers more than 400 educational and social programs/events annually. Men’s and women’s athletics teams compete in NCAA Division II athletics.

**University of Colorado Boulder**

*Public 4-year institution*

https://www.colorado.edu/

Located at the foot of the Rocky Mountains, the city of Boulder is a leading force in research, technology and entrepreneurship. At the heart of the city, the University of Colorado Boulder produces some of the best and brightest in these industries and our talented faculty, students and alumni are leading the way by inspiring innovative, humanitarian and social enterprises. Home to more than 2,900 international students from 100+ countries, CU Boulder is one of only 36 U.S. public research universities belonging to the prestigious Association of American Universities. Within our nine colleges, schools and programs, are 4,000+ academic courses across 150 fields of study, enabling students to create a unique academic experience. Infused with our academic departments, classes and interdisciplinary programs is the research in our 12 research institutes and over 75 research centers. Our research encompasses thousands of scholarly, scientific and creative endeavors and results in new knowledge, technologies and creative work that advance the economy, culture and health of Colorado, the nation and the world.

**University of Nebraska Kearney**

*Public 4-year institution*

https://www.unk.edu/

University of Nebraska at Kearney (UNK), founded in 1905, is a public institution located in the central region of the United States. The city of Kearney is a safe and welcoming city with cafes, natural attractions and parks. UNK’s 515-acre campus is home to 7,000 undergraduate and
graduate students, with nearly 500 international students enrolled from 52 countries. More than 200 majors and minors are available in Business, Education, Psychology, Management, Arts and Sciences, and Education. UNK also offers 22 pre-professional tracks in the fields of Medicine, Pharmacy, Dental, Law, Veterinary and Meteorology. Average class size is 24 and the student-to-faculty ratio is 14:1. Over 30% of UNK students conduct research outside of class and present their projects at academic conferences. Students can join 180 active student organizations including academic and professional, recreational, student government, or special interest clubs and UNK competes in NCAA Division II Men’s and Women’s sports.
